## *Tahitian Dance Lessons*

*Learn how to sway your hips to the sounds of the Tahitian drums and the ukulele. Your instructor will first show you the different ways to wear a Polynesian pareo, then teach you the basics of the traditional art. You'll learn the movements that make up the Oritahiti (rapid, rhythmic dance) and of the Aparima (slow, sensual dance). One to three hour lessons available. Morning or afternoon classes.*
