

Task: Clean Out the Refrigerator

Leader: Chef Mixmaster the Nutrition and Food Safety Specialist

Spoiled food can be nothing but stout,  
Look through the fridge and rummage about.  
If stinkin' it will be when home once more,  
The trashcan it is and then out the door.  
Use by dates are helpful tips  
To keep bacteria off the lips.  
A is first and B is two,  
Keep going down and that's all you need to do.

Take the 5 items you will throw out to a Travel Agent, if you are wrong it will cost you \$1.00 of spending money, a 5 minute penalty and you will have to try again.

Task: Set the House Alarm

Leader: Eddie Engineer the Housing Specialist

Protecting the house while away is a prudent act.  
For thieves are on the prowl in fact.  
You need the code to set the alarm,  
To protect your home from any and all harm.  
A piece of broken art may be key  
Give it a try and let's all see.  
Row by row the code is built,  
Set the alarm and save Granny's quilt.

When you have the code go to a Travel Agent, if you are wrong it will cost you \$1.00 of spending money, a 5 minute penalty and you will have to try again.

Code: \_\_\_\_\_

**Task:** Get the Teen Out of Her Room

**Leader:** Penelope Parent the Family Specialist

When a teen has some drama disrupting their day  
Parents step in and know just what to say.

Tina Teen in her diary has written

Everything needed to make her calm as a kitten.

Bookmark each entry without delay,

And your sentence of advice will save the day.

Lines and edges mark just the right spot,

One at a time and you'll have the whole lot.

When you have the advice go to a Travel Agent, if you are wrong it will cost you \$1.00 of spending money, a 5 minute penalty and you will have to try again.

---

**Task:** Get the Passport Out of the Lockbox

**Leader:** Mr. Moneybags the Financial Specialist

If Island hopping we will go,

A passport we will need, you know.

An Island list below should be from A-Z,

All found in the South Pacific Sea.

A map and umbrella are all you need,

To get the combo to the lockbox indeed.

Kiribati, New Caledonia, Palau, Nauru, Cook Islands

The Tour Guide has the lockbox with the lock. See if your combination unlocks the box to get the passport and then take the passport to the Travel Agent. If you are wrong it will cost you \$1.00 of spending money, a 5 minute penalty and you will have to try again.

---

**Task:** Get the Prescription Number to Refill

**Leader:** Dr. Heartbeat the Health Specialist

Health is important even while away,  
Get your prescription filled without delay.  
You will need the script number to fill before you go,  
While traveling abroad you don't want to get too low.  
Moving more is good for you, even on vacation,  
So take advantage of the tropical location.  
A dance lesson with grass skirts will help you move with fun  
Combine it with the meds and you will be healthy, even on the run.

When you have the prescription number go to the Travel Agent, if you are wrong it will cost you \$1.00 of spending money, a 5 minute penalty and you will have to try again.

**Task:** Pack the Suitcase

**Leader:** Fashionista Frangipan the Textiles Specialist

Agent Andie has a goal  
Off to Tahiti she needs to roll.  
Clothes for the daily itinerary she will need to pack  
In the right order so the suitcase will stack.  
Use the string and all the clips to make a clothesline banner  
In order of use because Agent Andie is a master planner.

When you have made your clothes line take it to the Travel Agent, if you are wrong it will cost you \$1.00 of spending money, a 5 minute penalty and you will have to try again.
